Charities

Project Linus – our March & April charity was a great success. We have about 25 afghans ready for children or our community. **Preemie Hats** and sweaters are doing well. We just sent a large bag to St. Mary's and we have another ready for Albany Med. **The Olde Pattern Basket** in the front of the store is doing well. Since Oct. 1st we have sent \$175 to the Cohoes Community Center

Summer Charity....We are adopting **Gilda's Club** for the summer. Gilda's Club in Latham provides programs and meeting places where adults and children living with cancer, along with their families and friends can join with others to build a personal network of social and emotional support as an integral part of their healing. www.gccrny.org **We will be collecting knitted/crocheted chemo Caps** Email us with your ideas for this project.
